Inclement Weather, Equipment Failure:

At the discretion of the on-duty manager the pool may be temporarily closed due to inclement weather or equipment failure. Some decisions will be based on guidelines set forth by the Board. Virginia Health Department Regulations dictate the amount of time the pool will be cleared from the onset of thunder, lightning and/or heavy rain, and decreased chemical composition in the pool, equipment failure and accidents. Arrangements will be made to re-open after inclement weather if possible. Other situations will be assessed on a case by case basis.

Parties

Did you know NHP rents out the pool for during and after-hours parties? For a fee any group (subject to approval) can rent the pool for up to 4 hours. In years past groups have included graduation parties, High School reunions, Bethel Band, local churches and business work parties. For after-hours parties the groups have exclusive use of the pool. Parties during normal hours are known as "Cake and Ice Cream" parties. These parties have been Birthday celebrations but are open to Sports Teams and church groups as well. These parties have a limited group size and will have 2 hours reserved on the patio or the pump house deck but attendees are welcome to stay and swim after the party too! For additional information on either of these types of parties email us at: northamptonpool@outlook.com or just stop by the gate or call 826-9808 during normal hours.
