WELCOME TO THE 2016 SEASON!!

The Board has been meeting during the off season to discuss plans for the 2016 operating season, needs for maintenance, concessions, improvements and other miscellaneous items.

2015 membership was down significantly from the 2014 season so we need all members to encourage new families to come see how great an experience a summer by the pool can be.

Credit Cards: We are accepting most major credit cards for Membership Dues payments. This payment method can be done at the Check in Window; full dues payments only.

Refer a new Member! Get a new member or family to join & get \$25 back after the start of the 2015 season. Current member's name must be on new member's application form at time of joining.

Email questions to:
northamptonpool@outlook.com

Please feel free to contact a board member if you have any questions. All board and general membership meeting minutes are available for review upon request in writing. Members are also invited to attend board meetings.

Supporting NHP!!

The more we can get donated means the more we can continue to keep dues at a minimum while the costs of operations rise. So get out there and get those friends and neighbors to help support NHP.

NHP staff are here to help.

Most of NHP staff are members themselves or children of members. All staff are here to help, to the best of their ability, with any needs or questions. With that said, all members are reminded that some needs may take a little more time to address than others. Patience is appreciated if your situation requires managerial or Board input.

Inclement Weather, Equipment

Failure: At the discretion of the on-duty manager the pool may be temporarily closed due to **inclement weather or equipment failure.**

Some decisions will be based on guidelines set forth by the Board. Virginia Health Department Regulations dictate the amount of time the pool will be cleared from the onset of thunder, lightning and/or heavy rain, decreased chemical composition in the pool, equipment failure and accidents. Arrangements will be made to re-open after inclement weather if possible. Other situations will be assessed on a case by case basis.

Parties

Did you know NHP rents out the pool for during and after hours parties? For a fee any group (subject to approval) can rent the pool for up to 4 hours. In years past groups have included graduation parties, High School reunions, Bethel Band, local churches and business work parties. For after hours parties the groups have exclusive use of the pool.

Parties during normal hours are known as “Cake and Ice Cream” parties. These parties have been Birthday celebrations but are open to Sports Teams and church groups as well. These parties have a limited group size and will have 2 hours reserved on the patio or the pump house deck but attendees are welcome to stay and swim after the party too!

For additional information on either of these types of parties prior to the season email us at: northhamptonpool@outlook.com

During the season just stop by the gate or call 826-9808 during normal hours.
